[Details of reception]

- At reception, please have your ID (eg: driver's license) ready to confirm your address.
- We cannot accept unsorted waste. (large-sized waste is burnable and non-burnable. Other than that, put it in a bag and separate it in the same way as station collection and drop off collection.)
- The waste disposal fee is 70 yen per 10 kg per vehicle. However, no fee will be charged for items weighing 100 kg or less.
- At the station, recycling, burnable waste, and non-burnable waste will be unloaded in that order, so please be careful when loading the vehicle.
- There are some types of waste that are limited by the amount that can be brought in per day, some of which require pretreatment, and some of which cannot be accepted. For details, please contact each facility or visit the website.
- To prevent congestion at each facility, please take small amounts of waste to collection stations.

[Notes]

- Waste generated outside Okazaki City cannot be brought in. Please contact the local government in the area where the waste was generated.
